Ms. Alexis Strauss
Acting Regional Administrator
U.S. Environmental Protection Agency
Region 9
75 Hawthorne Street
San Francisco, California 94105

Dear Ms. Strauss:

The California Air Resources Board (CARB) is submitting to the U.S. Environmental Protection Agency (U.S. EPA) revisions to the California State Implementation Plan (SIP), from the following air quality management districts (districts):

- Mojave Desert Air Quality Management District
- South Coast Air Quality Management District

These revisions consist of amended rules for the districts, as listed in Enclosure A. Also enclosed is CARB Executive Order S-18-001 adopting the districts' rules as revisions to the SIP. To meet U.S. EPA's criteria for determining that rule submittals are administratively and technically complete, we have enclosed evaluations of the effects of the rules on emissions, evaluations of the rules' consistency with 40 CFR 51, and other supporting documentation provided to us by the districts.

If you have any questions, please have your staff contact Ms. Sylvia Vanderspek, Chief, Air Quality Planning Branch, at (916) 324-7163 or by email at Sylvia.Vanderspek@arb.ca.gov.

Sincerely,

Richard W. Corey
Executive Officer
